

VALOUM

MADE FOR MOMENTS.

OUTDOOR SAUNA • 4 PERSON

Cube 200

Floor plan — dimensions in mm. Door available left or right hinged.

The Cube 200 is a luxury outdoor sauna built to endure the harshest environments while providing a sleek, modern aesthetic. Perfect for up to 4 people, it features a stunning full-glass front (available in smoked or reflective tint) and premium burnt wood cladding. Inside, you are enveloped in Grade A Thermo Aspen, illuminated by ambient LED lighting integrated beneath the floating benches and backrests.

TECHNICAL SPECIFICATIONS

Capacity	4 persons
Ext. dimensions	210 x 202 x 240 cm
Int. dimensions	197 x 176 cm
Heater	9kW HUUM electric
Electrical	Single or three phase
Insulation	40mm FF-PIR
Weight (approx.)	~1,095 kg

PREMIUM MATERIALS

- Exterior: 19mm "Burnt Wood" (Shou Sugi Ban) for durability and UV resistance.
- Interior: Grade A Thermo Aspen (knot-free).
- Floor: Grade AB Thermo Pine.
- Roof: EPDM rubber + marine ply (leak-proof, with fall).
- Base: powder-coated galvanised steel.

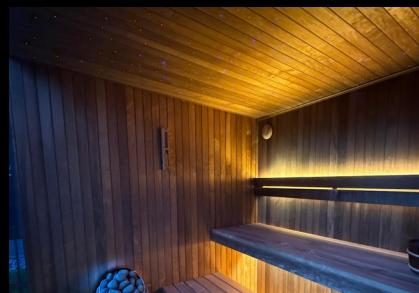

FLOATING BENCHES

60cm deep 2-tier benches for comfort.

HUUM HEAT

9kW heater with Olivine Diabase stones.

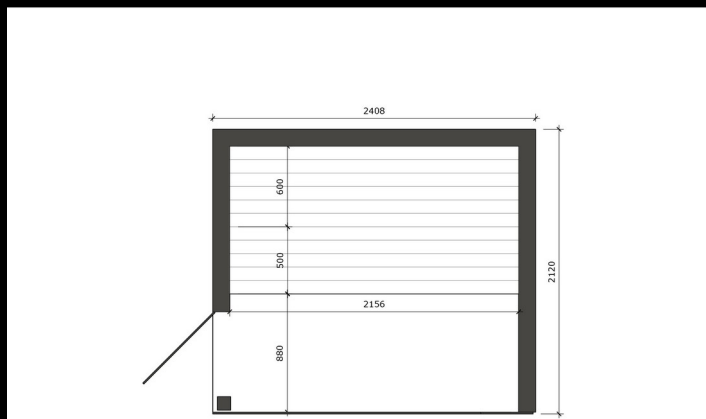

AMBIENT INTERIOR

LED bench lighting and starlight ceiling.

OUTDOOR SAUNA • 5 PERSON

Cube 240

Floor plan — dimensions in mm. Door available left or right hinged.

The Cube 240 expands on our flagship design, offering wider dimensions to comfortably accommodate up to 5 people. It retains the same robust galvanised steel foundation and premium insulation while providing a more expansive panoramic view. The wider footprint allows for generous internal space, perfect for social wellness sessions without compromising the intimate luxury feel.

TECHNICAL SPECIFICATIONS

Capacity	5 persons
Ext. dimensions	210 x 241 x 240 cm
Int. dimensions	197 x 215 cm
Heater	9kW HUUM electric
Electrical	Single or three phase
Insulation	40mm FF-PIR
Weight (approx.)	~1,270 kg

CONSTRUCTION DETAILS

- Cladding: 19mm charred "Burnt Wood" exterior.
- Insulation: FF-PIR panels with aluminium laminate.
- Glass: 8mm tempered (smoked or reflective tint).
- Base: heavy-duty adjustable galvanised legs.
- Lock: stainless steel with protective black coating.

EXTRA WIDTH

241cm width for superior comfort.

ADJUSTABLE BASE

Powder-coated steel frame with levelling feet.

ALL-SEASON

Leak-proof roof, built for winter.

MAKE IT YOURS

Options & Configurations

Every cabin is made to order — choose the door orientation, glass tint, and finishing touches that make the space yours.

Door orientation can be specified as left-hinged or right-hinged to suit your deck layout — available on every Cube model at no extra cost. See each model's floor plan for reference.

GLASS OPTIONS

Both Cube models come with a full-glass front in 8mm tempered safety glass, available in two tint levels. Both are tinted glass, not a true one-way mirror: the reflective look is strongest in daylight, and the interior becomes visible when lit inside or after dark.

SMOKED TINT

Lighter bronze tint — the lit interior stays visible, for that classic sauna glow.

REFLECTIVE TINT

Darker mirror-look tint — more daytime privacy and a sleek exterior finish.

OPTIONS

STAR CEILING

Fibre-optic starlight night sky.

HUUM CONTROLS

WiFi app control and heater upgrades.

AUDIO & EXTRAS

Bluetooth audio, extra Diabase stones.

CONFIGURE YOUR CABIN

- Door orientation — left-hinged or right-hinged, no cost difference.
- Glass front — smoked tint (lighter) or reflective tint (darker, more daytime privacy).
- Star ceiling — fibre-optic starlight ceiling upgrade.
- HUUM smart control — WiFi app control; heater options available.
- Audio — integrated Bluetooth audio, single or dual speaker.
- Sauna stones — additional Olivine Diabase stones on request.
